

Driver's Education Class

Mr. Tonsager (605)210-3090

Dear Parents,

This is a survey concerning our Driver's Education Program. We need to know if your child will be attending Driver's Education. Classroom instruction takes 8 days from 8:00 a.m. until approximately 12:00 p.m. each day at the High School. We ask that you do not schedule any appointments or family vacations during these days. Mr. Tonsager will schedule the time for your child to take "behind the wheel" part of the course. The driving portion of the Drivers Education class will be scheduled to start driving shortly after our first class with times available to drive in both the school year and the summer.

There is a fee of \$250.00 per student to enroll in the Driver's Education Program. The \$250.00 fee needs to be paid on the first day of Driver's Education class, which is presently set for September 13, 2019 for the 1st session and January 17, 2020 for the 2nd session of Driver's Education. This is a great opportunity for your child to be given experience driving as well as possibly receiving an insurance discount they might be eligible for until they are 22 years old.

For those students who are in Math and Science Club, you will have some overlap in class times, so you will want to go to Math and Science club first and then come to Driver's Education. Since you will be missing half of class on those days, it is important that you do not miss any other classes if possible.

Please select which session would work for you. Please bring checks with the student on the first day of class. Make checks payable to Wayne Tonsager.

Session 1: 9/13, 9/20, 10/11, 10/18, 10/25, 11/8, 11/15, 12/11

Session 2: 1/17, 1/24, 1/31, 2/7, 2/14, 2/28, 3/6, 3/20

Please keep this top portion for your records and send the bottom portion back to the school.
